

**Hyden Farm Product  
Price List.  
2011/2012**

**Longhorn Beef.**

It is important to note that specialising in Longhorn cattle means that due to their age at slaughter (over 30 months), regulations demand the removal of the spinal cord. Sadly the carcasses often come back badly damaged which means we need to bone out a lot of the meat. It also means that t bone steaks are not possible!

## **Christmas Poultry.**

The Turkeys come as day olds, and are reared outside, roaming the paddocks as they wish!

## **Norfolk Black Turkeys**

– a leaner bird with a slightly more gamey flavour. £12/kg

**Bronze Turkeys** – the traditional bird, with a good breast!! £12/kg

## **Goose**

Our geese come as day olds also, from the same place in Devon, that we have used since we started over 20 years ago. They live out with their surrogate parents, our adult goose flock, and graze the stubble and pastures through the summer, autumn and winter months.

Goose. £14/kg
