

Hyden Farm Organics Meat and Poultry Order Form 2009

A small organic family farm on the edge of the South Downs Way, we specialise in traditionally reared organic meat and poultry including Longhorn Beef, Hampshire Down Lamb, Saddleback Pork, chicken, ducks, guinea fowl as well as Christmas poultry. We complement this selection with a variety of home-cured organic gammon and bacon as well as home-produced, gluten-free sausages.

As fifth generation family farmers situated on the edge of the South Downs Way, we are proud to produce the finest organic meats and poultry. Our farming encompasses high welfare for our stock and protection of our beautiful countryside and its wildlife.

Our meat and poultry is reared responsibly with care and attention. Because our poultry are reared on a traditional free range system, weights may vary. We will endeavor to supply you with weights as close as possible to your requirements.
